#### Meetings

DCDC meets monthly in the DCDC office on Main Street the second Monday of each month at 4:00 p.m. All meetings are open to the public, but topics to be brought to the Board's attention, must be placed on the meeting agenda in advance.

#### About DCDC

DCDC stands for Dunlap Community Development Corporation. It was formed in 1991 as a 501(c)(6) organization with the purpose of enhancing the economic environment of Dunlap and improving the quality of life for its citizens. DCDC also works with local government and other institutions in Dunlap to support the development of the Dunlap community in order to sustain and expand business endeavors.

JULY 2025

## MEET US IN DUNLAP FOR THE 4TH!

With Dunlap's annual 4th of July parade and park celebration quickly approaching, the 4th of July Committee has been focused on organizing and otherwise ensuring the success of the event!

This event requires an immense amount of volunteers to pull it off! Over 50 volunteers will be stationed at the ticket stand and various inflatables throughout the duration of the event, as well as heading up the parade and pulling the kiddie train. (This does not include the volunteers at the Car Show, the foodstand, the Fun Run, etc.!) Park and parade volunteers will be giving a free wristband and volunteer t-shirt. These t-shirts are generously sponsored by Klein Senior Insurance and CRF Consulting!

With a major construction project on Dunlap's Main Street, the committee and the City of Dunlap have been closely monitoring the progress. At this time, no determinations have been made about rerouting the parade. If necessary to do so, those determinations will be made closer to the 4th.

The event will kick-off as usual, on July 3rd, with an ice cream social, golf tournament and street dance.

On the morning of the 4th, the Fun Run/Walk will take place. The Kiddie Parade will begin at 10:30 a.m. at the Dunlap Post Office, followed by the regular parade which begins at 11:00, starting at the 4 County Fair.

Following the parade, visitors can enjoy the Silver Fox Auto Show and many fun activities in the park. The pool and golf course will be open for portions of the day as well.

Boyer Valley Music will be serving food, and two foodtrucks will be on site dishing up sweet treats. Enjoy the park festivities until 3:00 p.m. Then watch for the fireworks to begin at dusk at Pleasant View Park!

## DUNLAP COMMUNITY FOUNDATION PLANTS THE SEED

One thing is certain... a thriving community cannot exist without a steady avenue of funding for local programs and projects. Through history, Dunlap has done a tremendous job of fundraising and grant writing for various purposes. But our town has the potential to benefit greatly from a more constant and perpetual funding source.

Once initially established, the Dunlap Community Foundation will act as a central hub for charitable giving within the Dunlap area.

Community foundations have the ability to offer funds to support the needs of the communities they serve. Possible areas of support include education and human services, town beautification, recreation opportunities, and business entrepreneurship assistance.

### 1. GIFT

Donations are collected and form the principal.

### 2. INVEST

The principal is protected, invested and grows.

### 3. GRANT

Once generously established, a portion of the fund's value is distributed annually ongoing.

## THE "BAD DOG" IS BACK UP ON HIGHWAY 30

For years, a very large depiction of a little girl holding a shredded teddy bear, pouting next to a dalmatian, has stood next to Highway 30 south of Dunlap. Over time, this huge piece of roadside art became a recognizable landmark and brought a "welcome home" feeling to many.

More recently, due to its deteriorating state, the piece had to be taken down. Mike "Space" Schwery initiated a campaign to fundraise and bring a new version of the same art installation back to the area.

Jill Schaben, DCDC, and Schwery did a quick internet search and were successful in finding the original artist, John Cerney. John emailed back pretty quickly and was very interested in the project.

By the end of May, "Space" had raised the money, and the artist reinstalled the project on the north side of Dunlap, along Hwy 30. Cerney repainted it in California and drove for three days to bring it back to life.

### - History of the Installation -

When we reached out to John more recently, on March 18, 2025, here is what he said:

"People in Dunlap may have forgotten, but there was actually another mural on that same spot a few years prior to the 'Crying Little Girl' being placed there. In 1997, I persuaded my friend Richard Hein to get his dad to let me place a mural on his corn field. I wanted to display my cutout paintings in other places besides California. The original mural was of a domestic scene -- a husband hanging a painting while his wife directs him, plus the family dog. I told Gerry that I would only place the mural there for a year or two, and then haul it back to California. I actually sold it to a frame shop in my hometown of Salinas, CA. Gerry was sad about the mural leaving, as it was becoming a landmark in the area. I thought, what the heck...I would leave the dog, but paint something else in the same spot where the husband was. I came up with the crying little girl, who is upset because the family dog has ripped her teddy bear to shreds. Whether it made sense or not, it just became a part of the landscape."

"So, it was actually in 1999 when I came out to haul back the original mural and install the crying little girl. The Dalmatian was really too small in relation to the little girl, so if I were to paint another one, I would correct that, and probably have him/her hanging his head in shame!"

## MORE IMPROVEMENTS (AND MORE PICKLEBALL) AT CITY PARK AND POOL

The Dunlap Grants Committee saw a need to enhance the Dunlap Community Swimming Pool with two new shade structures. "We have an amazing swimming pool," said Jill Schaben, Executive Director of DCDC, "but there is no shade offered. Many parents end up sitting right against the bathhouse trying to find shade!"

The new shade structures offer protection and relief from the sun's harmful UV rays! Pool-goers are already taking full advantage of the shade offered! "I was at the pool a few times very recently, and many people were using and complimenting the new structures!"

The shades were purchased with funding from the Dean J. King Grant and they were installed by the City of Dunlap workers, Tony Warnock, Matt Koski and Ryan Donscheski. Greg Brasel loaned a skidloader auger and a bucket fabricated to help pour cement.

The City workers also assembled and installed two new benches at the basketball court and six new benches inside the pool bathhouse. These benches were purchased with funding from the Harrison County Community Foundation!

A basketball backboard was accidentally broken recently, and the City of Dunlap purchased and replaced it.

Future plans for the park include extending the chain link fence on the north side of the court taller, installing light posts to the basketball court and adding a second, independent pickleball court. "Greg Brasel's bid was accepted for pouring the concrete for the new pickleball court. We hope to have it poured very soon," said Schaben. "We also want to surface it to match the basketball court, but that will be a phase two project because we need to find more funding."

## PLANTING TREES CONTINUES TO BE A FOCUS IN THE COMMUNITY AND SCHOOL DISTRICT

Trees are crucial for both the environment and human well-being, playing vital roles in cleaning air and water and supporting human health and communities.

In 2024, DCDC and the BV PTO helped the Boyer Valley Elementary find sponsors to purchase 20 trees. These trees were planted by Tremel Nursery around the perimeter of the school in Dow City. The Elementary shared photos of how beautiful the trees looked the following Spring on their social media page.

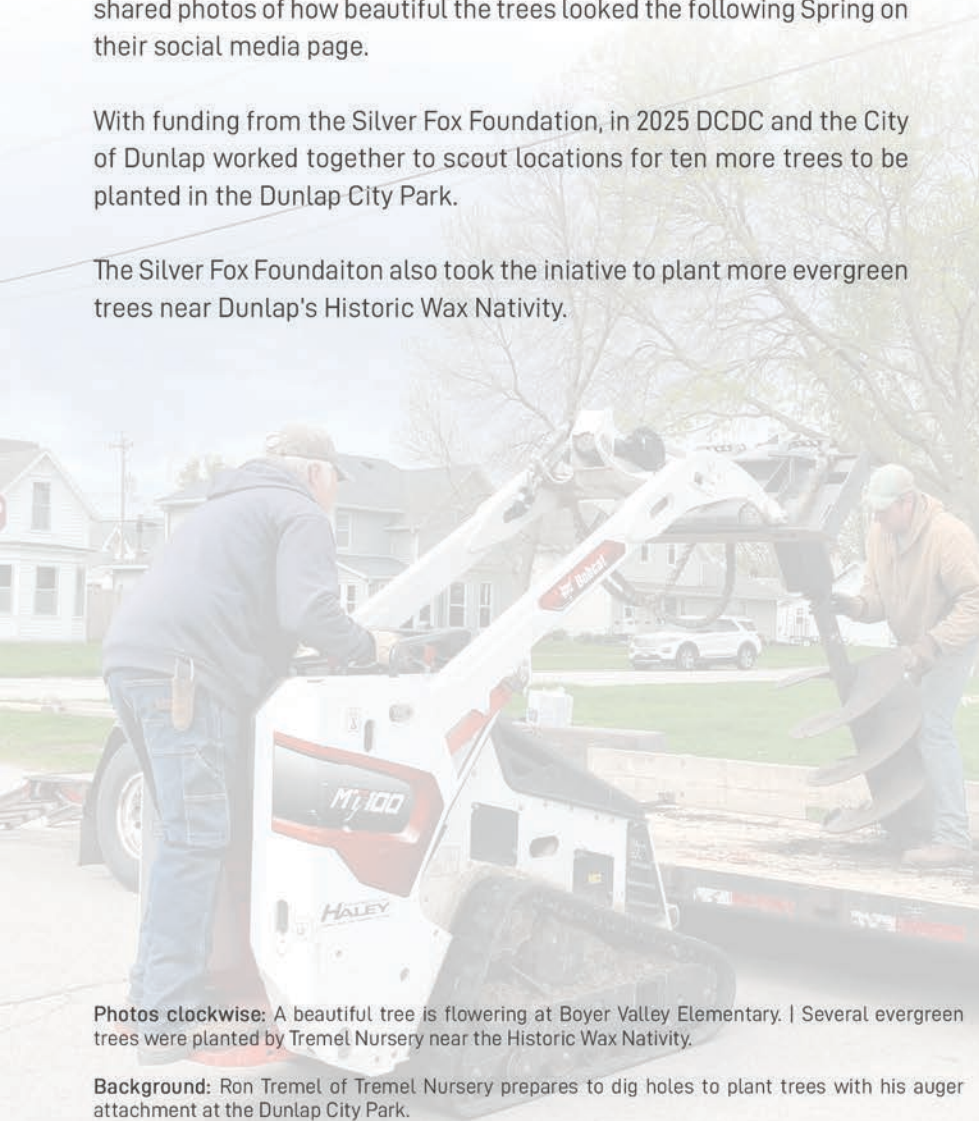

With funding from the Silver Fox Foundation, in 2025 DCDC and the City of Dunlap worked together to scout locations for ten more trees to be planted in the Dunlap City Park.

The Silver Fox Foundation also took the initiative to plant more evergreen trees near Dunlap's Historic Wax Nativity.

## SPOTLIGHT ON NON-PROFIT: THE DUNLAP SENIOR CENTER

The Dunlap Senior Center has been a hub of excitement in recent months, with new leadership, seasonal parties and pending remodel work.

"The Senior Center is a happening place these days," shared Jill Schaben, DCDC Executive Director. "I would urge anyone, of any age, to stop in and check out all of the things they're doing and ask about all of the projects they have planned in the coming months. You will be amazed!"

With Director Diane Smith, and Assistant Director Jan Roberts at the helm, the meals and tasty treats are truly next level. The monthly menu can be viewed on the Dunlap Senior Center's Facebook page and on the Dunlap website, [DunlapIA.com](http://DunlapIA.com), by clicking on "Live in Dunlap > Dunlap Senior Center."

The Senior Center officers are Patty Mumm, President; Rick Rannels, Vice President; Rory Conrad, Secretary; and Rose Thompson, Treasurer. The newly elected President has hit the ground running, navigating water main issues, encouraging the Center to convert one restroom to make it handicapped-accessible, and address issues with the floor sloping.

The Center has been bustling with fun seasonal parties. With the help of Sponsor, Angels Home Health Care Rep. McKenna Murphy, they have hosted an Easter Party, Mother's Day Tea Party, and Father's Day Party. Dunlap Specialty Care Activities Director, Jackson Thomsen, was also on hand to assist with some of the fun and festivities.

(Continued on the next page.)

**Photos clockwise:** A brand new stove, vent, and pots and pans the Center was able to purchase with the help of many generous donors. | Myrlen Hein constructed a gorgeous wood stove top cover for the new induction stove. The wood for this piece was donated by Dunham Hardwoods. | Sarah Thies Reinig decorated the front windows with adorable paper plate flowers. | Bev Narouth and Judy Ronk enjoy Bingo and fun hats made out of gift wrap at the Mother's Day Party sponsored by Angels Home Health Care.

With Dunlap's main street under reconstruction, visitors to the Senior Center are currently using the alley-side entrance. Tony and Connie Casperson power-washed the exterior walls on the backside of the building and filled cracks and crevices in the cinder blocks. Jim and Patty Mumm repaired gutters and vents in the eaves of the building.

A mural was painted with paint that was recycled from previous murals and sample paint donated by Dunlap Lumber and Home Supply.

A stunning garden that was initiated by Lois Anderson already exists near the rear-side of the building, and it has been further enhanced with donated flowers and stepping stones.

Tony Casperson fabricated a metal ramp and rail to allow for safer entry on the alley-side entrance, and Cogdill Farm Supply moved a concrete bench so people could sit as they wait to be picked up.

A dry erase board was ordered and installed by Patty Mumm so that the Senior Center could track and publish all the individuals who donate their time, talents and money to the Center each month. The facility continues to welcome more and more visitors at their monthly events, bi-weekly coffee times, and daily meals. All are welcome and encouraged to visit the Dunlap Senior Center and see what it has to offer.

**Photos counter-clockwise:** The ramp fabricated by Tony Casperson has made the rear entrance to the building much safer. | A microwave cart was donated by Rory Conrad to help with storage in the kitchen area. | The "famous" seasonal tree is decorated for Memorial Day. It has also been decorated for Christmas, Valentine's Day, Easter and Mother's Day. | The bright new mural on the backside of the building helps visitors know which building is the Senior Center.

## BENCHES ARE RELOCATED IN PREP FOR MAIN STREET RECONSTRUCTION

With the help of Ethan Sandvold, Austin Schaben, and Kyle Wadsworth, of the Dunlap Livestock Auction, the community was able to remove crumbling benches and picnic tables at Dunlap's Peoples' Park and replace them with ones in good shape, relocated from Main Street.

Meanwhile, Renea Anderson of the Harrison County Development Corporation, assisted multiple communities within Harrison County simultaneously by helping us relocate planters and trash receptacles from Dunlap's main street to other towns within in the county.

"With a plan to update all of our main street furnishings with black metal ones, we had unsponsored stone planters and trash cans that we did not need anymore," said Jill Schaben.

"Renea reached out with a great idea, to sell our items to other towns for a small cost. This kept the furnishings out of the landfill, benefitted the small towns that purchased them, and gave Dunlap a little money to put towards park improvements.

Stay tuned as the construction project advances. We can't wait to see how fresh Main Street looks with new sidewalks, light posts, and new black furnishings."

Special thank you to Renea Anderson of HCDC and the Dunlap Livestock Auction!

## FLOWERS ENHANCE DUNLAP, WITH THE HELP OF VOLUNTEERS

Recently, Boyer Valley Agriculture students, under the director of Mrs. Chelsea Schroeder, planted flowers in the planters at the Dunlap City Park. These flowers were donated by the FFA, following their annual greenhouse plant sale.

The Dunlap Flower Club, led by Sue Nemitz, continues to be instrumental in enhancing our community with stunning arrays of plants and flowers. This year, the Flower Club purchased plants and flowers locally, from Wendt's Pots and Posies and planted them at Peoples' Park and the Dunlap Pocket Park. There are very few planters on Main Street this year, due to the Main Street sidewalk reconstruction project.

New, black metal planters are being fabricated at Petersen Manufacturing in Denison, with flag holders for the Avenue of Flags.

Volunteers from the Flower Club continue to maintain landscaping at the Railroad Heritage Stairs and flower beds at Pleasant View Park. It's a tall order and we are so appreciative of all the time, talent and energy that this club gives to the Dunlap community.

If you are interested in helping or donating to the Dunlap Flower Club, please contact Sue Nemitz at (712) 269-4326.

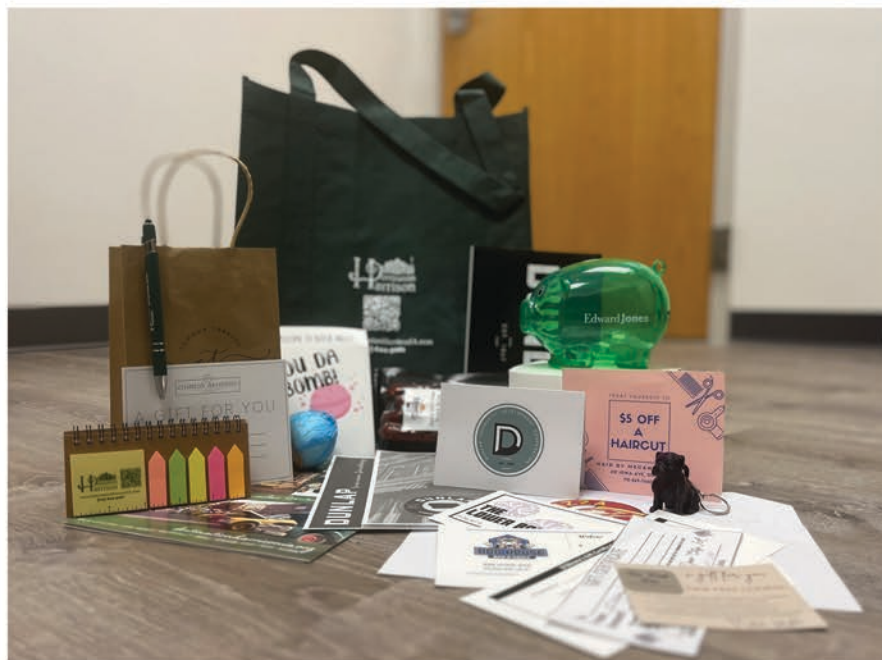

## BV PTO COMPLETES ITS FIRST YEAR

The Boyer Valley Parent Teacher Organization is a volunteer association that works exclusively on behalf of BV students and teachers through the cooperative efforts of parents and school staff. Already within their first year of existence, the PTO has made tremendous strides in supporting BV Schools.

They have hosted winter hat and glove drives, placed free feminine products in restrooms throughout the high school, worked with local businesses to develop welcome bags of goodies for families new to the school district, helped line up more than fifty readers for the BV Elementary Guest Reader program, hosted multiple fundraisers including two trivia nights, purchased gifts for new teachers, organized meals for BV staff during Parent Teacher Conferences, funded a program to bring Crawford County Conservation to give demonstrations at the Boyer Valley Elementary, distributed Hostess treats during Homecoming week, had a float in the Homecoming Parade, sold cotton candy at BV football games, and more!

## THIRD YEAR OF COMMUNITY GARDEN

The Dunlap Community Garden was initiated in 2023 by the following members of Boyer Valley Girl Scouts Troop 163: Hope Beeck, Hazel Gilflores, Sophia Malone and Ava VanHouten, led by Lynnette Dunham. The garden was a project the girls chose to pursue to earn their Girl Scouts Silver Award, which is the highest award a Girl Scout Cadette (6th-8th grader) can earn. The girls spent a year and a half completing this project.

## TEES AND TINIS HOSTS VERY SUCCESSFUL INITIAL FUNDRAISER

A new organization, "Dunlap Tees and Tinis," was announced in March. This group hosted a Tees & Tinis Ladies Night event in May with a mission of creating a fun, inclusive and empowering experience for women in the Dunlap community. They donated a percentage of their proceeds back to the Dunlap Golf Course to promote Ladies Nights ongoing.

The remaining proceeds were donated to the Boyer Valley PTO, with a goal to donate to a different nonprofit organization each year.

The event included hors d'oeuvres, drinks and socializing, as well as free jukebox time and many interactive games like Heads and Tails. The evening concluded with Live Music by Pat Conrad.

This group has additional events planned in the coming months (see the next page.)

## UPDATES MADE TO DISC GOLF COURSE AT PLEASANT VIEW PARK

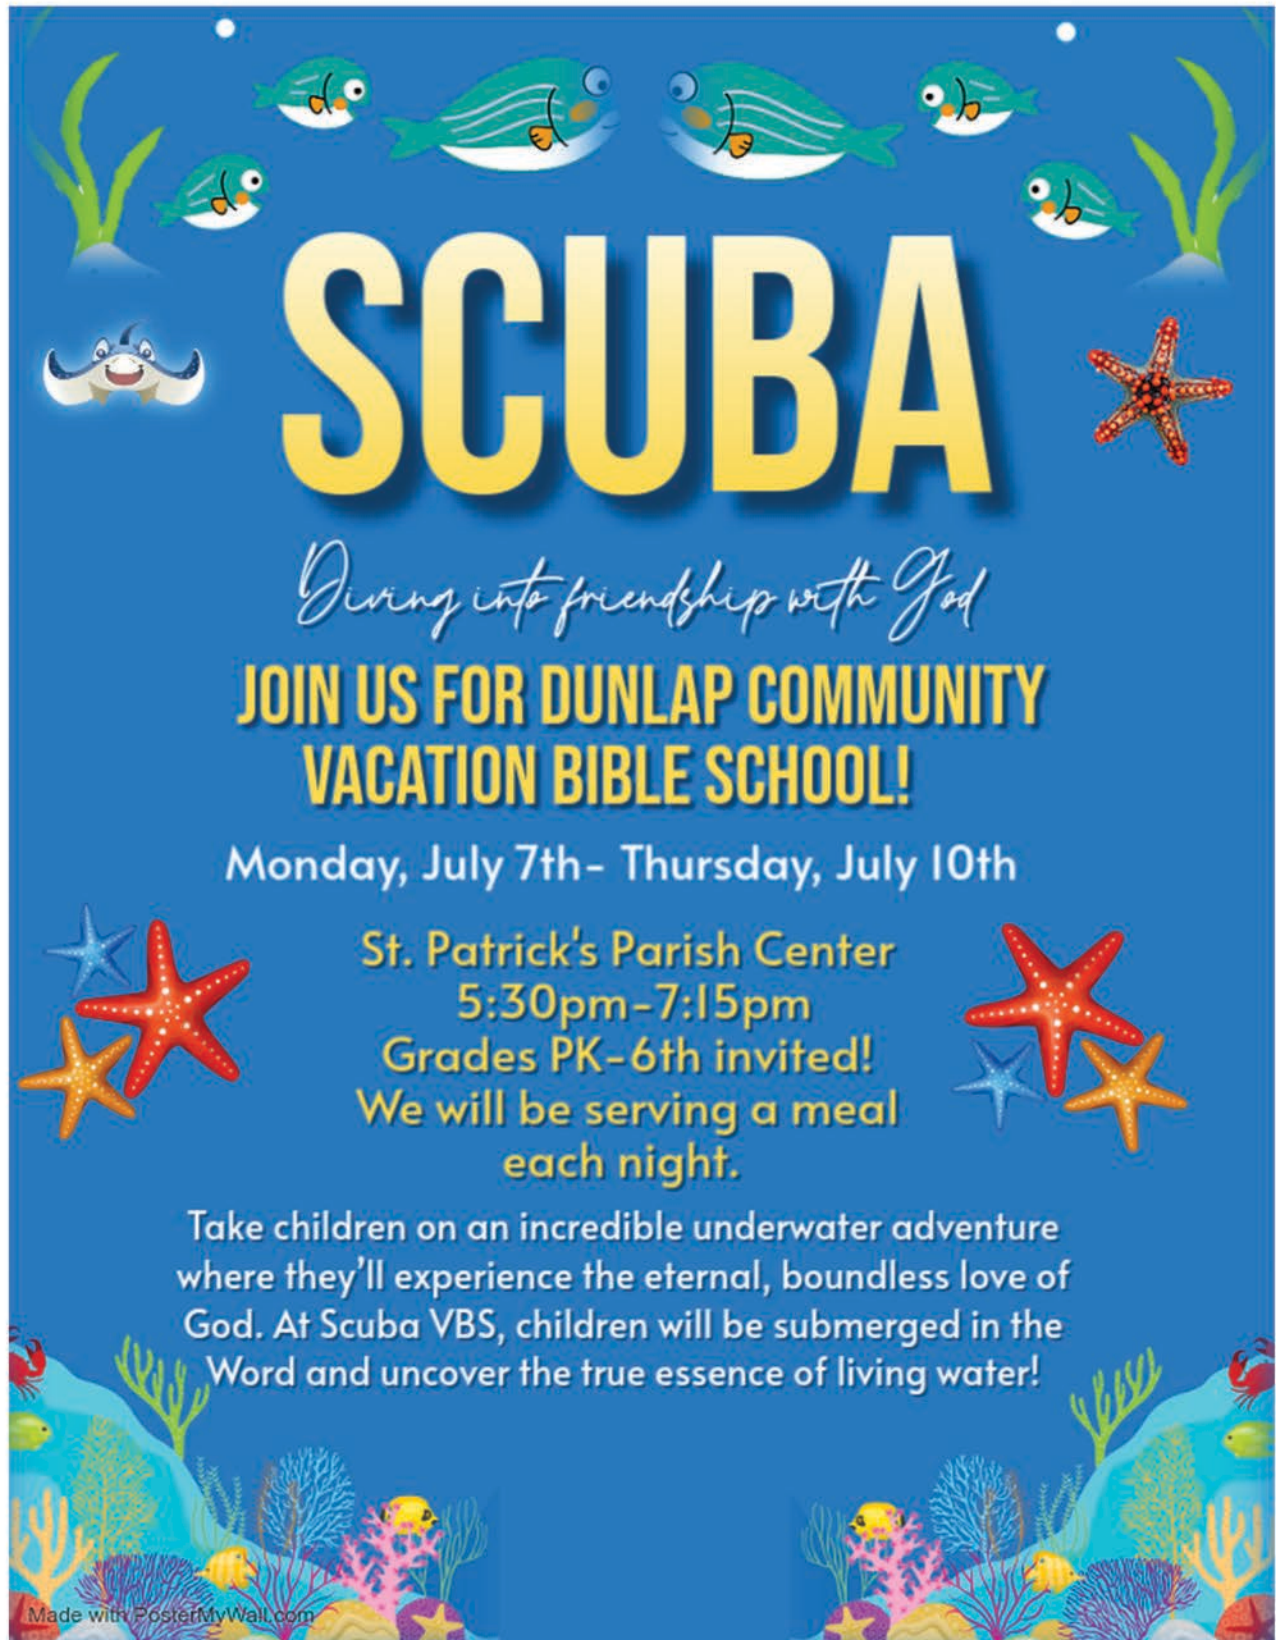

The Disc Golf Course at Pleasant View Park that was originally installed by Devin Kline in 2014, was recently revitalized with new metal posts and a new metal course map.

Through the years, the elements took their toll on the course. The original hole signs were broken, faded and missing. The Dunlap Grants Committee received funding from an Aureon Grant, and paired it with funding obtained from the sale of "Dam"-themed t-shirts. The new posts were purchased from Dunlap Lumber and were modified by Myrlen Hein. The City of Dunlap installed the new signs and map.

## NEW DOIGE WILDLIFE AREA

Harrison County Conservation Board's latest acquisition and 19th park is the Doidge Wildlife Area near Dunlap. It was purchased from Jim and Cathy Doidge in a partnership with the Iowa Natural Heritage Foundation. A grant was also awarded from the Harrison County Community Foundation for this project. While Jim lives in northwest Iowa, his childhood home was adjacent to this property and he wanted to have it available to the citizens of Harrison County to enjoy. It has 40 acres of timber that is open to recreation such as mushroom hunting, hiking, and hunting for small game, turkeys, and deer. A parking lot is on site.
