FALL IN

DUNLAP

SEE A PIECE OF HISTORY

when you visit the historic stairways on Dunlap's lower main street. These two flights of 100+ year old steps were ascended by visitors arriving to Dunlap on passenger train.

These steps were recently cleaned off by Boyer Valley FFA students and the Dunlap Railroad Heritage Committee is fundraising to enhance the area with angled display information boards about the fascinating history of this part of town.

WALK AND READ

simultaneously at Dunlap's StoryWalk, located at Pleasant View Park. A StoryWalk is an innovative and delightful way for children and adults to enjoy reading and the outdoors at the same time. Pages from children's books are installed in permanent angled display fixtures around the perimeter of the pond at this beautiful park. Walk along the path and read the story page-by-page!
