DUNLAP StoryWalk

What is a StoryWalk?

A StoryWalk is a fun activity that engages families in literacy and physical activity.

Pages from a children's book are printed and placed in displays along a walkable path. Often times, these book pages are accompanied by thought-provoking questions and/or activity prompts to make the activity more interactive.

What are the benefits of a StoryWalk?

Reading a StoryWalk with adults gives children the opportunity to learn new words, describe things and events, enjoy and tell stories, learn how to follow a story in sequence (physically moving from page to page), and hear and play with sounds and letters in words.

How often is the StoryWalk updated with a new book?

The Dunlap StoryWalk will be updated every six weeks or so. Follow the Dunlap StoryWalk on Facebook to see notifications about new books at the StoryWalk and other important messages.

Additional questions may be posed via Facebook Messenger to the Dunlap StoryWalk Facebook page.
